**BABA-COMPLIANT**

### **TECHNICAL SPECS**

Flow Capacity:	Up to 12,000 scfm
Design Pressure:	Up to 18 psig
Turndown Ratio:	2:1
Motor Power:	300-600 HP
Drive:	Standard or Low Harmonic VFD Option
Input Power:	460V-575V
Impeller:	5-axis machined 7075-T6 Aluminum
Control System:	Advanced Integrated Controls (UL508)

## TOP MANUFACTURER FOR DECADES

**Inovair** has built a reputation over the past nearly 30 years for quality and excellence. As the **#1 player** in forced-air deicing, exclusive supplier to the US military and considered the "gold standard" for commercial airlines, **Inovair** is a trusted manufacturing partner. Our products are well known in the wastewater and general industrial industries for offering

superior technologies and overall lowest cost of ownership. To complement our engineering efforts, we lean on our nearly 30 years of dominance as the leading automotive aftermarket supercharger supplier, where we serve applications up to 4,500+ HP in the most severe duty cycles imaginable.

## EASE OF MAINTENANCE

No more broken belts or frequent belt changes. **Inovair** products are designed to be maintained in the field by the equipment operator in just a few minutes. All our maintenance tasks have instructional videos on our website. Total cost of ownership includes the cost of servicing the unit for the useful life. **Inovair's** products are engineered to require the least effort and lowest cost to maintain.

## INDUSTRY-LEADING SUPPORT

Should an issue arise, **Inovair** technical and customer service, located at our headquarters in Kansas City, is ready to assist immediately. Our customers rave about the service **Inovair** provides before, during, and after the installation. Visit our website for testimonials on our superior service.

## GET IN TOUCH WITH INOVAIR

At **Inovair**, we pride ourselves on offering our customers the efficiency and durability they need, with a solution that is simple to maintain and lowers the overall cost of ownership. When you choose **Inovair**, you get the best. Call us today to learn how we can help lower your costs.

## DESIGNED, MANUFACTURED, & SERVICED IN THE USA

When it comes to a supplier's ability to deliver quality and availability, location matters. **Inovair** is not only headquartered in the heartland of America, but most operations, from engineering to manufacturing to service, are within the same facility. Our vertical integration means shorter leadtimes for parts and manufacturing. This creates a collaborative environment with lean design, manufacturing, and servicing practices. This product is also available for purchase direct from the **Inovair** factory.
